

GATS EME:

Pursuing Ministerial Excellence

The most pathetic person in the world is someone who has sight, but has no vision.

... *Helen Keller*

The Bible School in Kiev, Ukraine was blessed by the anointed teaching of Brother Dorsey Burk and Sister Bev Burk. Brother and Sister Burk taught our first ever GATS Teacher Training Classes in Kiev from November 5th to November 7th, teaching several hours each day. Pastor Sergey Tomev and the teaching staff of the church were so inspired and encouraged by the lessons taught. Pastor Sergey told me later that these classes impacted the church so much that he is wanting to schedule several more training sessions this year.

He said that since this training he has had a desire to start a full-time GATS Bible school in Kiev. He is wanting to make this possible by the end of 2016.

GATS Bible School Impacting a Nation!

Rev. Denis Gonzales, Administrator of Centro de Estudios Bíblicos writes, “As of right now we have two part-time and one full-time Bible School. Last year 2015, we graduated 29 full-time students. As far as 2016 goes, this weekend we will be graduating 39 part-time students, both in Barcelona and Madrid. Plus, in July we will be graduating 38 full-time students and 21 part-time students.

As we mentioned previously, some of our graduates from past years are now full-time pastors, some are Assistant Pastors, others are active in ministry in their local churches.

Some of them are serving as monitors and teachers at our three Bible Schools. Churches with Bible School graduates are growing so much due to the quality training they have received being applied to their cities. Together we are impacting Spain.”

Athens Bible School

The Bible School in Athens, Greece has entered its third year since opening its doors. Currently they have 15 third year students, 8 second year students and 10 first year students

Brother Strickland sends this testimony from a young Pakistani student, named Sharoon John who is a third year student in their Bible School:

“I am thankful for the awesome role of Athens Bible college in my life. Due to the efforts of our teachers, and due to the supervision of our educational director and pastor, we are growing in such a beautiful way that we are determined to serve God in any kind of situation. I believe that God is preparing an army of warriors in this Bible college to destroy the kingdom of hell and to win the souls for the kingdom of God.”
