West Africa Sub-Regional

Accra, Ghana
Thirteen Nations Represented

Congratulations Class of 2011

The month of June opened with Bro. Sisco teaching at the Faculty Improvement Seminar in Kenya as the Global Association of Theological Studies (GATS) Africa representative. Forty-five instructors were present representing five nations. It was with joy that GATS was able to welcome Burundi into the standardized teaching arm of the Foreign Missions Division.

Our local Bible College, ACTS, graduated eight students with their Associate Degrees in Theology and thirteen with their Diploma of Ministerial Development. It was a tremendous time of rejoicing with 706 present. Special thanks to Bro. & Sis. Cantrell, missionaries to Burkina Faso, for being our guest speaker.

Ghana was privileged to host the West Africa sub-regional conference with

missionaries and national leaders from thirteen different nations. Our theme was, "That Nothing Be Lost." We left encouraged and challenged to spread the gospel of salvation throughout our region. Join us in prayer over nine nations yet to be reached by the United Pentecostal Church.

Designated compassion ministry funds aided a widow to pay overdue school fees which enabled her children to finish their school year. Also a small donation, the equivalent of \$7, was given to help with food. This brought tears to her eyes and she commented with surprise, "That something like this could happen to me!" Often we are reminded, "Except for the grace of God, there go I" and "To whom much is given, much is required."

Thank you for your faithful support. Great things are happening in Ghana!
