

In September of 2017, we held a Oneness Seminar in one of our targeted areas of our capital city called "Hevié." From this teaching, we received request from a couple of Trinitarian pastors to enter our GATS Level One night classes located in Hevié. Although they had seen the Oneness, they had not yet received the Holy Ghost, as evidenced by speaking in other tongues. While studying the book, "Life of Christ," we focused in on the story of Nicodemus. As the teaching went forth, the power of the Lord fell in our class! Four students received the baptism of the Holy Ghost that night in class! Included in this four, were our two Trinitarian pastors!!! Bible School is not only for equipping of the Saints. It is also fundamental in the evangelization of our neighborhoods, as well as the instruction of doctrine for our church members!

Thank you Ladies Ministry for your continued support of the Teaching Ministry! We in Benin are so glad you gave!
